

Conference with Bill Cloud December 31 – Jan 1

While visiting Israel, during the Feast of Tabernacles, God gave Bill a deep love for the land, the people and the language. Under the tutelage of a local rabbi, Bill began studying Hebrew, eventually including the Hebrew roots of christianity along with Biblical Judaism.

Bill now sees it as an important task to explore the deep secrets of the Word of God through these studies and to better understand the prophetic dimension of His Word. Bill Cloud is stationed in Cleveland, Tennessee and will visit Sweden for the first time with Beth and the children.
